

Congratulations to the 2023–2024 Scholarship Recipients

The APMA Educational Foundation is proud to announce this year's student scholars. A total of \$405,200 was awarded to 229 third- and fourth-year students from the nine colleges of podiatric medicine. APMA is excited to once again offer first-generation and international students special recognition in our scholarship program.

Our deepest appreciation goes out to all the endowment benefactors who make these scholarship awards possible year after year. Their commitment to the future of the profession allows the foundation to support outstanding students with lifechanging financial assistance.

Below is a list of this year's scholars.
