Upcoming Events

- **August 3:** [Application deadline for APMA Emerging Leaders Program](#)
- **August 8–11:** [APMA 2024 Annual Scientific Meeting \(The National\)](#)

In the Spotlight ...

> YPs, Don't Miss Out: Apply for the APMA ELP Today!

The APMA Emerging Leaders Program (ELP) is a leadership-intensive program designed to support an exclusive group of young physicians (members who have graduated from podiatric medical school within the past 10 years) with a vested interest in future leadership opportunities. There is still time to apply to be part of the second cohort of this premier leadership development program! Applications will be accepted through August 3. Visit www.apma.org/elp to get started now!

> CPA Mini Summit Series: "Navigating Contract Negotiations" Recording Now Available!

The APMA Center for Professional Advocacy (CPA) hosted the next installment of its ongoing Mini Summit Series: "Navigating Contract Negotiations," on July 16. A recording of the event is now available on the event page. | [READ MORE >](#)

APMA members have access to all of our reimbursement and practice management resources.

➤ **Help Us Help You: Take the Clinician Information Survey**

A reminder to members: Help us help you to update Medicare clinician payment by participating in the clinician information survey. The effort launched in May, and invitation emails were sent to practices. Mathematica has extended the survey deadline to July 31. | [READ MORE >](#)

➤ **Reminder: Changes Coming to APMA Data Collection**

Research is a cornerstone of APMA's strategic plan. Outstanding research supports the high-quality care we deliver to patients and drives advocacy on behalf of the profession. At APMA, we are modernizing the way we approach our data collection efforts. The changes we are implementing will have an impact on our registry and data warehouse. Please bear with us during this transition period and be on the lookout for more news coming soon.

A promotional banner for JUBLIA. On the left, the JUBLIA logo is displayed in white on a blue background, with '(efinaconazole) Topical Solution 10%' written below it. To the right, the text 'See how the JUBLIA TV spot is raising awareness with patients nationwide' is written in white on a dark blue background. Below this text is a white button with the text 'Watch Now' in blue.
